ORDER OF COURT

Entered: January 9, 2015

Based on the material presented by the parties, the court is persuaded of a sufficient probability that the appeals present a "substantial question" within the meaning of 18 U.S.C. § 3143(b)(1)(B). Appellants' motions for release pending appeal under the same conditions imposed

for release pending trial and pending the self-reporting date are granted. The pending motions for leave to file oversized documents are also granted.
